

STATE OF THE UNION (SOTEU) 2022

EBS DISTRIBUTION (SATELLITE AND EMBED CODE)

#SOTEU

The 2022 State of the Union will be broadcast **unencrypted and free of charge** on the European Union's Audiovisual Service "Europe by Satellite".

EbS is available through Satellite, via web-streaming on the Commission's Audiovisual portal (<https://audiovisual.ec.europa.eu/en/>) or via social media.

Please, find below the technical details for each transmission modus.

1. **Satellite reception**

In order to broadcast on a TV channel, please take the signal from our satellite.

Any satellite receiver can get the video and **all** audios from:

Eutelsat-9B (9°E)
Frequency 11900 (horizontally polarised)
DVB-S2 (modulation 8PSK)
Symbol Rate 27.500
FEC 2/3

You can find more info about EbS satellite transmission on the following website:
<https://audiovisual.ec.europa.eu/en/aboutebS>

The State of the Union will be broadcast on both the **EbS** and **EbS+** channels:

- **EbS+** will broadcast the original video signal
- **EbS** will broadcast an 'enriched' version (integrating social media, quotes and illustration footage)

We also offer the transmission to the **EBU** and **ENEX**.

If you are member of these organisations, **please enquire with them** how to recuperate their live-feed.

2. Web streaming

In order to stream SOTEU on a webpage, you can directly embed the EbS or EbS+ live players by using the following embed codes:

EbS+ channel (<https://audiovisual.ec.europa.eu/en/ebs/live/2>):

Normal version (original image)

```
<iframe src="https://audiovisual.ec.europa.eu/embed/index.html?&lg=int&channel=2" id="videoplayer" width="852" height="480" title="" frameborder="0" scrolling="no" webkitAllowFullScreen="true" mozallowfullscreen="true" allowFullScreen="true"></iframe>
```

EbS channel (<https://audiovisual.ec.europa.eu/en/ebs/live/1>):

Enriched version (with graphics and illustrations) #SOTEU Live Feed

```
<iframe src="https://audiovisual.ec.europa.eu/embed/index.html?&lg=int&channel=1" id="videoplayer" width="852" height="480" title="" frameborder="0" scrolling="no" webkitAllowFullScreen="true" mozallowfullscreen="true" allowFullScreen="true"></iframe>
```

The language by default is the original one but you can choose a different one.

In order to configure the player's parameters go to the webpage of our live players and copy the code with preferred choices as explained as follows:

Click on the top right of the player on the Embed button (<>):

You can choose the **size of the player** as well as the language, if interpretation is available. You can then copy the i-frame code to paste into your website.

Language: English

Size: 852 480

```
<frame src="https://audiovisual.ec.europa.eu/embed/index.html?&lg=en&channel=2" id="videoplayer" width="852" height="480" frameborder="0" scrolling="no" webkitAllowFullScreen="true" mozallowfullscreen="true" allowFullScreen="true"></frame>
```

Copy code

Make your language and size choice and click in Copy code

The embed code is permanent (it will always show the current broadcast) and can thus be already pre-programmed on the target page (and turned on when the SOTEU begin).

The schedule for the day, for both channels, can be found on this web address:
<https://audiovisual.ec.europa.eu/en/ebS/both/20220914>

Please notice that the exact timing can change in the days before SOTEU; please make sure to check the EbS schedule on the day of the event.

3. Social Media

The SOTEU will also be broadcast Live on Wednesday 14/09/2022 on the Commission's Social Media channels: [Facebook](#), [Twitter](#), [LinkedIn](#), [Youtube](#) and [Telegram](#) - as well as on President von der Leyen's [Twitter](#), [Instagram](#) and [LinkedIn](#) pages.
